

NK PALISEC

GENERAL SPECIFICATIONS

NK Palisec Eco24 is a palisade fencing system designed to deter the casual intruder or trespasser. Available from stock in both galvanised and galvanised & polyester powder coated to BS EN 1461-2009 and BS EN 13438-2005, the palisade system offers a speedy solution to site demarcation where increased security levels are needed.

Anti-Vandal toppings are also available to complement your fencing system and further augment the security level. Systems include Topspike Spinners, Raptor Spinners, Barbed Wire and Razor Coils.
